

DIRECTORS' REPORT

TO THE MEMBERS

The Directors of the Company are pleased to submit the Audited Financial Statements for the year ended 30 June 2023.

OPERATING HIGHLIGHTS

SEHAT SAHULAT PROGRAMME (SSP)

For the province of Punjab, the Punjab Health Initiative Management Company has been mandated by the Specialized Health Care and Medical Education Department (SHC&MED) for execution /implementation of Health Insurance Scheme, named Sehat Sahulat Programme (SSP) on its behalf. The Programme's objective is to improve access, cater to and protect the society against catastrophic health expenditure by providing in-patient services, through a cashless scheme.

This Programme aims to benefit approximately 30 million eligible families comprising of approximately 120 million individuals in all 36 districts of Punjab.

The Programme was initially launched in 2016 and implemented in 13 districts in Phase I (under Prime Minister National Health Programme Contract signed with Ministry of NHR&C). In November 2018, approval was given to expand the Programme to all districts of Punjab on enhanced benefit package by Government of the Punjab. In phase II, Programme has been implemented in all 36 districts. As per Phase II Contract, Phase I districts (13 district) have been shifted to new package upon completion of previous contract duration. In May 2021, programme was further expanded with the approval of competent authority and remainder permanent residents of Dera Ghazi Khan and Sahiwal divisions were covered under Phase-II for one year i.e. till 25 May 2022.

Pursuant to the direction of provincial cabinet, the Sehat Sahulat Program the coverage of Sehat Sahulat Program has been extended to all permanent resident families of Punjab. As of March 31, 2022 all permanent resident families of Punjab are eligible to avail services under SSP (SSP, Phase – III).

Pursuant to mandate granted to PHIMC by Specialized Healthcare and Medical Education (SHC & ME) Department, GoPb vide letter no. SO(Dev-I) 25-69/2020 dated March

17th, 2021 to collaborate with Federal Ministry of National Health Services Regulations & Coordination (MoNHSR&C) for procurement of Insurance Company for implementation of Universal Health Insurance (UHI)/Sehat Sahulat Program (SSP) Phase – III in Punjab. The insurance company was selected through open competitive bidding as per PPRA Rules and State Life Insurance Corporation of Pakistan was contracted for a period of 3 years for provision of services under the Programme.

As at 30th June 2023, Programme is covering more than 32 million families across all 40 districts of Punjab till May 2025.

SALIENT FEATURES OF SEHAT SAHULAT PROGRAMME FOR PUNJAB

The salient features of the Programme for Punjab are as follows:

- Eligibility Criteria under Sehat Sahulat Program includes:
 - Population of Punjab earning \$2 or less per day as per National Socio Economic Registry (NSER) with score 32.5 PMT or less (for Phase-II).
 - All persons with disabilities (registered with NADRA), transgender (registered with NADRA) (for Phase-II).
 - All permanent resident families of Punjab registered with NADRA (for Phase-III).
- The Programme covers in-patient hospitalization treatment except for exclusions agreed with the Insurance Company.
- The Programme provides two distinct packages:
 1. Secondary care coverage for hospitalization up to PKR 60,000 (Phase – II and Phase – III) per family per year (Enhancement via Excess of Loss & Reserve Fund)
 2. Priority care Coverage for 8 priority diseases up to PKR 300,000 (Phase – II) & PKR 400,000 (Phase III) per family per year (Enhancement via Excess of Loss & Reserve Fund)
- Pre-existing diseases are also covered.
- One day pre-admission and up to five days from the date of discharge, including medicine supply from the hospital and one free follow up is covered in treatment.
- Public and private healthcare facilities registered / provisionally licensed with Punjab Healthcare Commission with minimum 10 beds are entitled for empanelment in the Programme in Punjab.
- Inter-district and Inter-provincial portability is available for all enrolled beneficiaries.

- Transportation cost equal to PKR 1000/- per trip for 3 trips/ year is also provided (Phase -II only).
- Burial support of PKR 10,000 if a beneficiary expires in an empanelled hospital (Phase -II only)
- The Programme also has a toll free helpline and SMS service to register complaints and find eligibility status respectively.
- To assess satisfaction of beneficiaries after discharge, patient feedback calls are conducted by NADRA as an independent third party.

Following is the comparison between Phase I, Phase II and Phase III of the Programme.

Description	Phase I Prime Minister National Health Programme	Phase II Sehat Sahulat Programme	Phase III Sehat Sahulat Programme (Universal Health Insurance)
Districts	13 Districts (Pro-poor)	36 Districts (Pro-poor + Disabled + Transgender)	36 Districts (All permanent residents of Punjab)
Launch Date	2016	2019	2022
Benefit Package	PKR 300,000/family/year • Secondary Care – PKR 50,000/- • Priority Care – PKR 250,000/- (7 diseases) • Transport – PKR 350/- per visit up to 3 visits	PKR 360,000/family/year • Secondary Care – PKR 60,000/- • Priority Care – PKR 300,000/- (8 diseases) • Transport – PKR 1000/- per visit up to 3 visits • Burial Support – PKR 10,000/- per death	PKR 460,000/family/year • Secondary Care – PKR 60,000/- • Priority Care – PKR 400,000/-
Excess of Loss	Excess of Loss Only – PKR 300,000/-	• Excess of Loss – PKR 360,000/- • Over Excess of Loss – PKR 360,000/-	• Excess of Loss – ◦ Secondary Care – PKR 40,000 ◦ Tertiary Care - PKR 200,000 • Reserve Fund – PKR 300,000
Premium	PKR 1300/family/year	PKR 1998/family/year	• PKR 4350/family/year • Reserve Fund PKR 40 / family/year

FUTURE OUTLOOK

Universal Health Insurance launched in Punjab from January 01, 2022 to cover all the permanent residents of Punjab. Beneficiary families covered under the Phase-II will be shifted to UHI under phase-III contract. Beneficiaries from twenty-seven districts have been shifted to UHI and remaining nine districts will be shifted in FY 2023-24.

Availability of services and ease of access is a key success factor for this program. Therefore, continuous efforts are being made to increase the number of beds engaged for UHI. At present, total number of beds engaged for UHI are more than 84,975 beds compared to the requirements of 61,150 beds as per feasibility report and approved PC-1.

To improve the quality of services and maintenance of standards of care, PHIMC has taken various steps in line with the directions of Provincial Cabinet and SHC&MED. Close coordination with the Punjab Healthcare Commission (PHC) is maintained for monitoring of healthcare providers (hospitals). Recently, following steps have been taken to ensure the quality service provision under SSP:

- Deadline for empanelled hospitals to obtain Provisional License to remain empanelled under the Program.
- Minimum passing score for district wise hospital empanelment has increased.
- Special visits to empanelled hospitals to monitor the dialysis services as per SOPs.

To improve the quality of health service delivery, standard treatment protocols will be developed and costing of treatments will be conducted along with clinical audits of the selected hospitals. Further, to evaluate the IT infrastructure deployed by SLIC for UHI, Information Technology audit of software and hardware will be conducted. Mid term evaluation of the programme (Third Party Validation) is planned during the year.

Interventions: Caretaker Provincial Cabinet of Punjab in its 18th meeting held on 21 June 2023, approved the following intervention for the programme:

- Exclusion/Contribution of the Affluent (Population Above PMT 44)
- Contribution Model for All Government Employees
- Contribution Model for all Pvt. Sector Corporate Employees
- Copayment for Cardiology procedures in Private hospitals (30% co-payment)
- Adjust UHI claims of Trust Hospitals against their Grants.

- Gynecology procedures shall only be claimable in Public Hospitals (Normal Delivery & C Section)
- Empanelment of Primary Facilities (24/7 Basic Health Units and Rural Health Centers)
- Performance Management of Empaneled Public Hospitals for more receipts.

The implementation of these approved interventions is in the process and expected to significantly reduce the financial burden on the Sehat Sahulat Program in terms of claims for better financial sustainability of the programme.

Provincial Standing Committee of Cabinet on Universal Health Insurance (SCCUHI) in its 12th meeting dated 06.09.2023 approved the 30% co-payment mechanism i.e. every beneficiary availing the healthcare services in empanelled private sector hospitals will pay 30% of the package rate whereas services in empanelled government hospitals are cashless / free of cost and exemption from co-payment has also been extended to emergency cases, dialysis, oncology and beneficiaries aged 65 and above.

COMMITMENTS

The Company is implementing the Sehat Sahulat Programme in collaboration with Federal Government, Ministry of National Health Services Regulation & Coordination (MoNHSR&C). As per direction / approval from Provincial Cabinet in its 50th meeting dated December 14, 2022, contract for Universal Health Insurance (UHI) was signed with State Life Insurance Corporation of Pakistan on December 29, 2022, to cover all the permanent resident families of Punjab at a premium rate of Rs.4,350 per family per year and Reserve Fund of Rs. 40 per family per year. PC-1 of the scheme "Implementation of Universal Health Insurance under Health Insurance Program in Punjab" has been approved by the Executive Committee of the National

Economic Council (ECNEC) amounting Rs. 332,845/- million with insurance premium of Rs. 3,580 per family per year. Based on the quoted and discounted premium of Rs. 4,350 per family per year and as per directions of Provincial Cabinet as explained above, the revised PC-1 of the scheme amounting Rs. 399,612/- million was prepared and approved by the Provincial Development Working Party (PDWP) in its 68th meeting held on March 18, 2022 and the same has been submitted to federal Ministry of Planning Development and Special Initiatives for consideration / placement before CDWP.

As per revised PC-1, the estimated number of families to be covered are approx. 30 million with an annual growth of 2.1%. Further, families currently covered under Phase-II of the program will also be shifted to Phase-III (UHI) contract on completing of their legal tenure till May 2024. Services under UHI started from January 01, 2022 in a phased manner. UHI contract will complete its legal term in May 2025. The expected year wise premium payments are as follows:

Year	Phase-II	Phase-III (UHI)	Total Premium
FY 2021-22	6,051	53,138	59,189
FY 2022-23	-	50,690	50,690
FY 2023-24	4,937	201,511	206,448
FY 2024-25	-	70,960	70,960
Total	10,988	376,299	387,287

Source: Revised PC-1 of Universal Health Coverage under Health Insurance Program Punjab approved by PDWP.

However, after implementation of the intervention as explained in Future Outlook section of this document, the actual expense on UHI claims is expected to be reduced significantly and hence the volume of cash flows will also be reduced.
